

【Construction announcement】

National Tsinghua University's 110 annual public area reservation-type unit price repair project

Purpose: Asphalt road paving in female dormitory Construction announcement。

Construction period: December 25, 2021 (Sat) ~ December 26, 2021 (Sun), early completion will be opened in advance.

Explain:

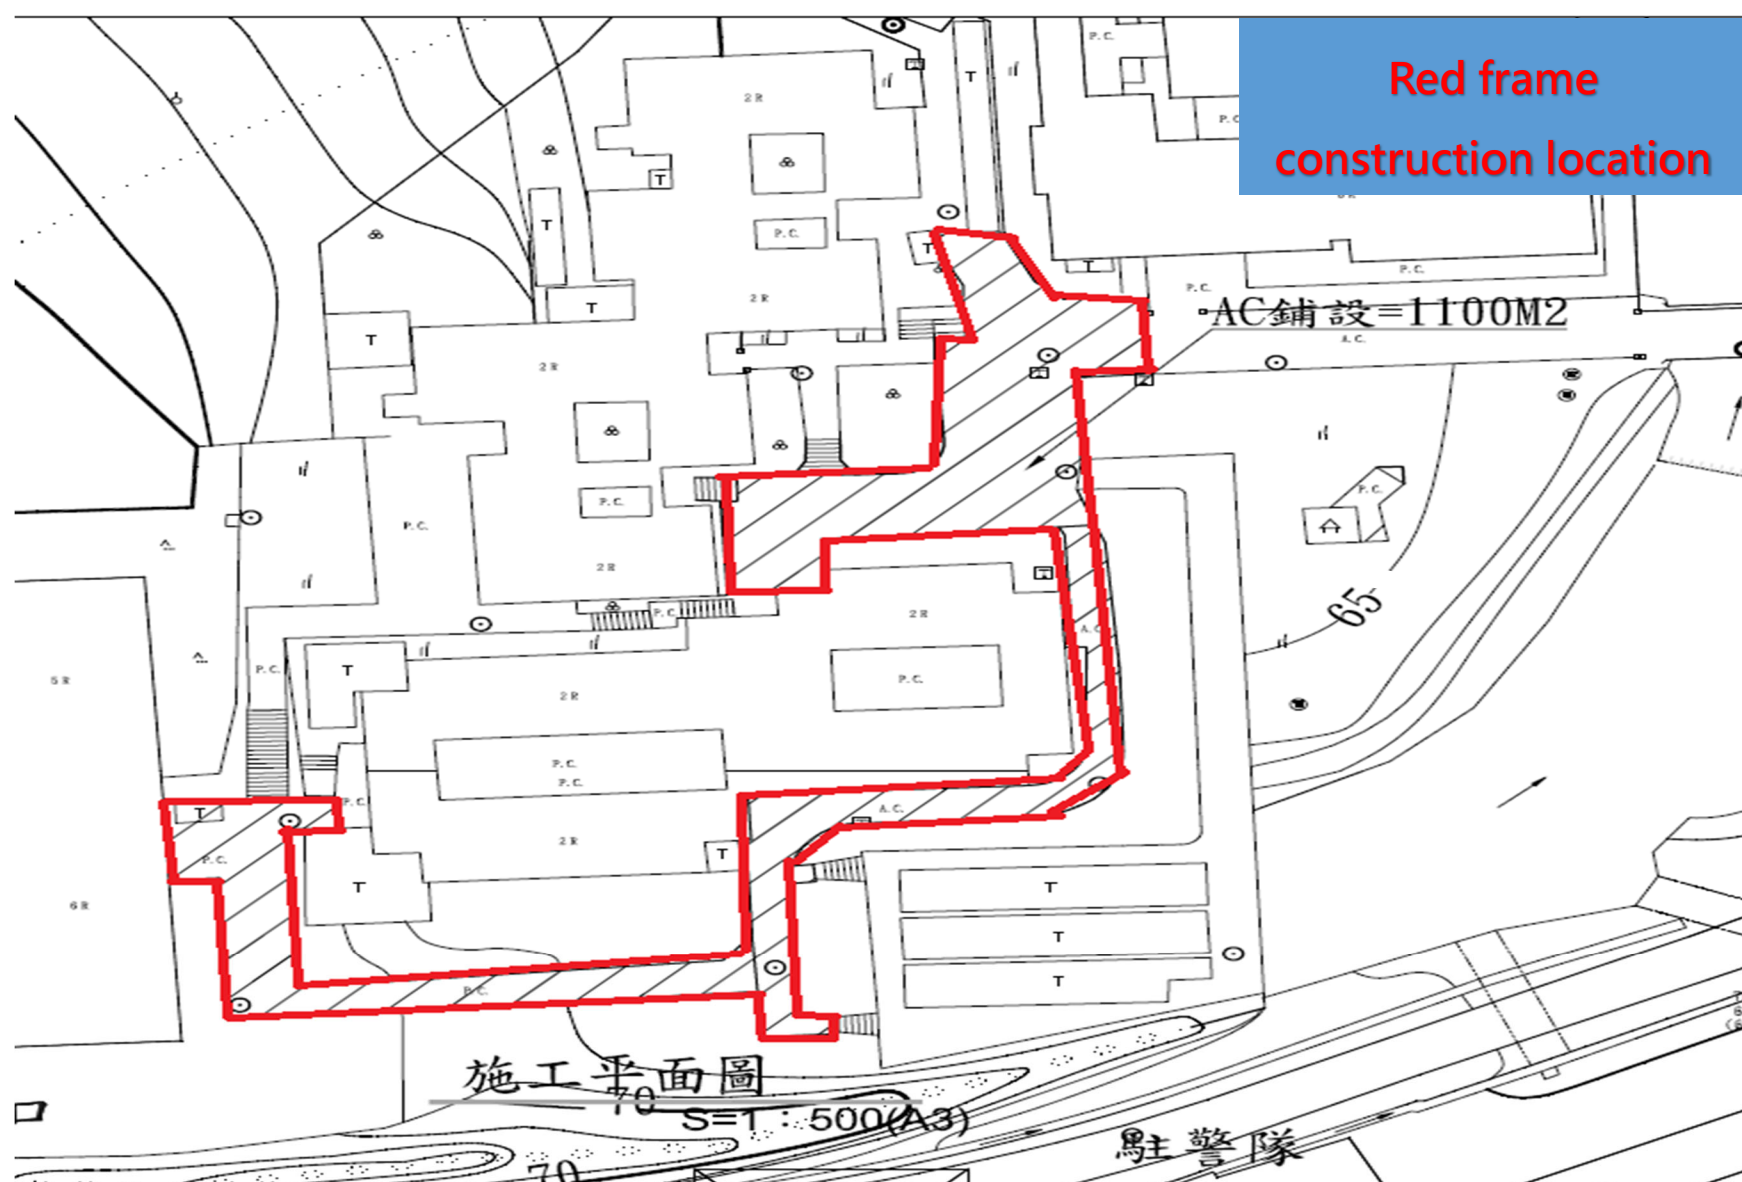

1. The scheduled construction time is from 8:00 am to 05:00 pm. The location is on the asphalt road in the female dormitory. During the construction, materials and machinery are hoisted and transported. Personnel nearby are requested to pay attention to safety and avoid danger as much as possible.
2. During the construction period (the enclosed construction area as shown in the figure below), please help teachers and students to move the vehicles to other parking areas around them.
3. During the construction period, non-related personnel or construction vehicles should not be approached to reduce accidents.
4. The construction process will cause problems such as noise, vibration and dust, or temporary occupation of roads. Please forgive me if it causes inconvenience and trouble.
