

TSMC Building Public Art Installation Maintenance Construction Road Regulation Notice

Subject : Craning operations for the public art installation maintenance at TSMC building will be conducted from 2024/04/01 (Monday) to 2024/04/04 (Thursday). Partial road closures will be implemented in the surrounding areas in accordance with the project's execution.

Details :

- **This project is scheduled to conduct craning operations from 2024/04/01 (Monday) to 2024/04/04 (Thursday). During this period, the road on the east side of the TSMC (South Gate Exit) will be closed from 4/1 to 4/2, and the road on the north side of the TSMC (in front of vehicle waiting area) will be closed from 4/3 to 4/4. In case of inclement weather preventing the construction, a further notice will be made regarding any extension of the project. Road closures will be lifted in case of project completion ahead of schedule.**
- **The road around TSMC to South Gate Exit and northward lawn (as shown on the map) will generate noise due to the operation of the machinery. During this time, partial parking spaces will be prohibited, and vehicles and pedestrians are requested to detour on the designated routes.**
- **During the construction period, unrelated personnel or vehicles are kindly requested to refrain from approaching the construction area. For the safety of individuals, the construction area will be cordoned off with safety barriers. We apologize for any inconvenience caused during the operation. In the event of rain or significant campus events, the construction will be postponed accordingly.**
