

# Drilling Announcement

Theme: Drilling construction of food court

Description:

1. The project is scheduled to conduct stratum drilling from September 14, 2020 (Monday) to September 15, 2020 (Tuesday). If other factors affect the progress of the project, the completion date will be postponed.
2. The construction scope is a snack shop, as detailed in the attached drawings and on-site announcements. Produced during construction.
3. Please forgive me for any inconvenience caused by noise, dust and traffic flow.
